WORK EXPERIENCE

05/12/2022 – 05/05/2023 Milan (Full Remote), Italy

FRONT END DEVELOPER ACCENTURE

During my internship in Accenture, I had the chance to steady up my previous skills and learn a lot more involving React.js, Typescript, and the whole programming world. It made me aware - by working on it - of the process of creating software under every aspect. I worked in team according to Agile method, which contributed a lot to improve my soft skills.

- Autonomous production of code.
- Respect of deadlines.
- Agile method.
- Confrontation with team and other teams.
- Constant learning and improvement.
